

copy of "The Soil and it a Tillage"—it con-tains information that will interest

"There's a reason"

Why every user of a Clark Cut-Why every user of a Clark Cut-away double action disc harrow is a satisfied user. The reason is easily seen after comparing the work of the Clark with other makes. The Clark is the disc that outs deeper, pulverizes the soil more thoroughly and wears longer, because the discs are made of cutlery steel, forged sharp, they make the Clark the most efficient harrow you can buy.

Forty years universal use prove it the most profitable of all in-vestments. Don't try to save by buying an inferior harrow with ordinary discs that soon bend, crack and break.

Clark Cutaway double action disc harrows in horse drawn and
